Combing Through Your Scraps

Karen Combs, instructor

Project can be seen at Karen's webpage <http://www.karencombs.com>

SUPPLY LIST

(Handout fee \$1. This will be collected by the teacher or teacher's aide by the end of class)

Book of quilt blocks (any book will do, this is optional)

Rotary cutter

Cutting mat

Ruler (6"x12" & 6" x 6" works best)

Straight pins with heads

Sewing machine threaded with off-white thread

Scissors

Seam Ripper

Best Press or Magic Sizing

Paper Scissors and Glue Stick (optional,)

Value Viewer (available in class)

FABRIC:

Scraps or fat quarters of light, medium and dark fabrics. Bring lots and lots of lights and darks. Any fabric will work, the pattern and color does not matter. Bring ugly fabric, fabric that you wish to use up, or your favorites fabrics. (A quilt made entirely from light and dark batiks is absolutely beautiful!) The more fabric you bring, the better. Trading will be encouraged.

How much to bring? Bring at least 9-12 light and 9-12 dark fat quarters cut into squares as described below. This is a good starting point.

To save time in class, precut your fabric into 3 7/8" squares and 3 1/2" squares

If you have boxes and boxes of Watercolor Squares, you may bring those along with some light and dark scraps. Your wallhanging will be smaller, but it will be beautiful.
