

Cuddle Pattern Instructions

Materials:

2 coordinating fat quarters or ½ yard of fabric (Cotton or Flannel)

Batting – cut 18” x 22”

Directions:

Cut 2 pieces of fabric at 18” x 22” each and layer them right sides together.

Place batting on top of these and pin all three layers together.

Using a ¼” seam allowance, sew around the edge leaving a 4” opening. Turn right side out making sure corners are pushed out.

Close opening and then top stitch ¼” from edge.

Quilt as you prefer (fancy or a few straight lines).

Remember these are for children so “kid” fabric is preferable.
