

THE PRESIDENT SAYS

At the last meeting we had our annual election of officers. I was glad that we had our 2 open positions filled and want to welcome Lynne Fritsche and LaDawn Dalley. Welcome to the Board. It was great that we only had to fill 2 positions this year -- but that means next year we will be replacing most of the board!!! It will be good getting new blood on the board, but this will be a little too much. What we need is for you members to think about which positions you would like to volunteer for next year and start helping the person to learn the ropes. We already have some positions with next year's volunteers but have some key positions that will need to be filled. Think about it and volunteer!!

It is time for everyone to start using the new website: qgplano.org. Starting in January, we will be using the new website for all hours entries. So now is the time to start getting familiar with it. This is a secure site--your individual password is your key to get on the site. No personal information can be seen by non-members. Email membership if you have trouble logging on.

Happy sewing.
Dolores

Please NOTE: The Church where we have our meetings is not available for our December meeting. The board has decided to CANCEL THE DECEMBER MEETING.

UFO CHALLENGE—LINDA NEAL

A big thank you to Chris Cessnun for taking over the UFO challenge at the September meeting. I was at the Austin Quilt show. Since we did not have a regular meeting in August because of the quilt show- we had double drawings this month. For the month of August, we had 6 UFO's completed. The winner for August was Kaye Dunn. For the September drawing, we had 7 entries and Pam Walsh was the winner. And, since I forgot the mention July's winner in the last newsletter- I will do it now. Mickie Warrington was the July winner, from the 8 UFO entries submitted. The winner's have been enjoying gifts certificates that were donated by Threads that Bind quilt shop. A big thank you to them for their generous donation!

Please continue to work on your UFO's. In October and November we will be having our regular entries and drawing. In December, we will not be having a guild meeting. So, you have an EXTRA MONTH to finish your UFO's!! We will hold December's drawing at the January meeting. Then, from all of the monthly winners, we will pick "Queen of the UFO's!" It is going to be lots of fun. So, get those UFO's done and get them entered. If you have any questions, please contact Linda Neal

At the October meeting I will be presenting the New guild activity for 2015. It is NOT a BOM or UFO challenge. It is something NEW and FUN..... See you in October!

MEMBERSHIP—DONNA PETRICK

We had two more new members join at the September meeting. Please introduce yourself to people you don't recognize. We have a great number of new members and we want to make them feel appreciated and get them involved.

It's time to renew your membership with the guild. Dues are \$25.00 if you pay before Jan. 1st. If your information hasn't changed, simply put your name on the form and write "same" on the form. You may mail to QGP, PO Box 260216, Plano, TX 75026 or bring it to the next meeting. About half of the membership has renewed at this point. With the great programs coming up the rest of this year and next year, you will definitely want to renew and come to meetings.

If you have not checked out the membership roster on the new web site www.ggplano.org please do so. If you cannot log in, email me or call and I'll help you through the process. We are missing birthdays on the following people: Megan Dobbins, Monica Hendewerk, JoAnn Langloys, Debbie Seher, Donna Shearrer, Cindy Walker, Floydena Wheeler and Debbie Williams. Please log on to the new web site and enter your birthdates so that we may wish you a great birthday.

Show CD's will be available for pick up at the October meeting. If you didn't order one at the show but want one, let me know so I can have enough copies with me. Price is \$5.00. I will be contacting non-members who bought at the show to deliver theirs.

I'm currently working on the anniversary dates and service bars for 2014. I plan to have them ready for the October meeting. Please check in with me if you think you haven't received your "jewelry" up to this year. I also have the show charms so if you didn't get yours at the show, please come by my table for those too.

SEPTEMBER BOARD MEETING MINUTES—MARTY CROUCH

Dolores Williams called the meeting to order at 6:30 p.m.. The Board minutes were approved as published in the newsletter. The Treasurer's report was filed for review.

Items discussed:

Dolores explained that the church was not available for the December meeting. The consensus of the Board was to cancel the December meeting since no program had been scheduled and attendance is generally low.

Linda Neal reported that she would postpone the final UFO awards until the January meeting.

MJ Fielek reported that she expected the new insurance quote in the next few days. She will forward the information to those Board members who need to review it.

Pam Wingate requested input from the Board and recommended that we support only one of two educational programs in October. The guild has been invited to attend the International Festival at Haggard Park on October 18 and the Heritage Farmstead Farmfest on October 11. The Board agreed to support the International Festival due to past low attendance on the Farmfest and the demands on the guild to support two events on subsequent weekends.

Donna Petrick announced that 19 new members had joined the guild at the quilt show. Work on the new website continues. Donna asked that she or Dolores be notified of any problems with the website so they can seek a solution.

Kaye Dunn highlighted some of the rules for meetings at the church and announced these would be included in future reminders to program attendees.

One person is to be the contact person for the guild. Office hours at the church are Monday—Thursday 8:30 a.m.—5 p.m., Friday—8:30 a.m.—12 noon. Any programs scheduled outside those hours are subject to additional fees. Entry doors should not be propped open. No alcohol or smoking is allowed. No food or drink is allowed in any area without approval. No liquid is to be placed in trash receptacles. (Kaye asked that we please empty liquids in the bathroom before discarding containers). No unattended children are allowed in the building.

Terri Mendelow shared that community service had a budget overrun in the Service Quilt Supplies budget line of \$15.54. She will transfer

budget dollars from the Yarn budget line. Since costs have increased, the Board recommended that additional funds be allocated in the 2015 budget to be submitted to the guild for approval. Terri also reported that the guild had received some exceptional quilt tops as donations and suggested that they be offered in a silent auction to guild members. The Board will review this proposal after the quilts are returned from the quilter.

Linda Neal reminded the Board that the UFO presentation in September will be a double award since no awards were presented in August. She announced that the 2015 activity will be a do-it-yourself round robin project that will kick-off in October.

Dolores Williams reminded members that most of the Board will be starting their second year in their current position and we need to include other guild members in our activities to prepare for recruiting the 2016 Board.

Mickie Warrington announced that the officer slate addendum will be linked to the next email to comply with Bylaw requirements.

Pam Walsh reported that some entrants should have been disqualified from the quilt show due to misleading and inaccurate representations on the applications. The ribbons and cash awards initially assigned to these entrants were retracted and the winnings were reassigned to the next highest scored entries. Pam read a draft of a letter to be sent to the entrants who were responsible stating that these entrants will be barred from future shows. The Board approved the letter which will be signed by Dolores and Pam. Pam provided an initial accounting of the quilt show that projects that the guild earned a \$22 thousand profit! Pam also announced the dates booked for the 2015 and 2016 shows: August 14-15, 2015 and August 12-13, 2016.

The meeting adjourned at 7:30 pm.

SEPTEMBER GENERAL MEETING MINUTES—MARTY CROUCH

Guild President Dolores Williams called the meeting to order at 7:00 p.m. The minutes of the July meeting were approved as written. The treasurer's report will be filed for review.

Dolores recognized Pam Walsh with the President's Lone Star Award for her work on the 2014 quilt show and read a letter from Project Linus thanking the Guild for sponsoring their booth at the show.

Dolores announced that the December 2014 meeting would be cancelled since the church is not available. The UFO recognition will occur in January.

Ballots for the Board election were collected and the recommended slate of officers was elected.

Programs - Kaye Dunn reported on enrollment in the September, October and November workshops and reminded members that discount prices are still available for the November class. Sherry Worley requested a volunteer to work with Programs.

Community Service – Terri Mendelow reported that 18 quilts had been turned in at the meeting, for a total of 235 for the year. Terri requested donations of fabric and batting, especially fabric pieces large enough for a quilt back. She announced the next Sit and Sew will be on Tuesday, October 14 and reminded members to log in their service hours either at the Community Service table or on our new website: qgplano.org.

Nine patch - Debbie Seher reported that nine patch blocks will be sent to two members who recently moved away: Marie Zaczkowski and Rhonda Kuntz.

needed to work with the class on the third Saturday of each month. Enrollment in the Junior Quilters class is still open: the Beginner's class is for ages 8-12, the Advanced class is for ages 10-12.

Quilt Show – Pam Walsh announced that the profit from the quilt show was \$22,000 and thanked all the volunteers for the success of the show. Quilt show bags are still available for purchase at the guild meetings for the discount price of 5 bags for \$2 (subject to availability).

Guild Activities – Chris Cessun awarded the UFO door prizes provided by The Texas Quilter and Needleworks Threads That Bind to Kaye Dunn for August and to Pam Walsh for September. Kathy Hook volunteered to be the Show and Tell coordinator for our new year.

Membership – Donna Petrick announced that 81 members and guests were present and that 19 new members had joined the guild at the quilt show. Donna recognized Shirley Wolfe for her assistance with door prizes this year and requested a volunteer for next year. Thirteen door prizes were awarded from the guild, a member and the following merchants:

COMMUNITY SERVICE—TERRI MENDELOW

While LaDawn transitions into the position of V.P. for Community Service, I am writing this month's article to keep everyone up-to-date.

September was a HUGE month for Service Quilt Donations. A total of **51** quilts was turned in for community service. In addition to the quilts from the last couple of months a total of **76** quilts were delivered in September.

The final total of quilts delivered for the year (October 1, 2013 to September 30, 2014) is **237**. The total from the year before was 206. We were able to donate 31 more quilts this year. Considering the time and effort it takes from cutting the kits to putting on the bindings and labels, this number of quilts is a very big accomplishment. I can't say it enough, that without the dedication of our guild members, we would not be able to provide these quilts to those in the community who are in need of some comfort in their difficult times.

I especially want to thank The Wednesday Girls for cutting hundreds of kits, backs, batting, and bindings for our service quilts, and for storing and keeping up with the supplies needed for this effort. And to Sherry Worley who spearheaded the Birthday Quilt Challenge and the Nickel Quilt TAQG Challenge in an effort to increase our number of service quilts.

Many of you have done an abundance of quilting on your home machines and your long-arms. Without a doubt, this helps immensely in the process of getting our quilts ready for completion. Your help is invaluable and your continued support is greatly needed.

A big thank you also to Karen Christoffer, who continues to cut and package the cuddle quilt kits, and takes them to Children's Hospital at Legacy when the quilts are finished. Karen also continues to lead our 2nd Tuesday Sit & Sew day, where we sew quilt tops for Community Service.

Lastly, our new group, The Nimble Needlers has done a phenomenal job of cutting, bagging and distributing 2,000 stockings to sew for the Stocking Project. This is an annual effort to provide some cheer at the holidays to troops overseas, at home and their families by providing stockings. The Soldiers Angels, in Sherman, Tx. stuffs these stockings and mails them overseas and to military families here. They are very grateful to our Guild for providing the stockings they use for this purpose. Carol Thune, with Nimble Needlers, wanted to pass on a very big "Thank YOU!" to all the guild members who have sewn stockings and turned them in for delivery.

As I sign off as V.P., let me remind everyone who is interested in joining the 2nd Tuesday Sit & Sew for Community Service to please contact Karen Christoffer and let her know you are interested in coming. The next meeting is October 14 at the Plano Sewing Center (S.E. corner of Custer and Spring Creek). We meet from 10am to 2pm. Bring your sewing machine and supplies. Pre-cut kits for tops will be provided. This is a fun group and a great way to get to know other quilters.

Thanks again to everyone for your efforts to support Community Service!

Minutes Continued from Page 7

inspired us with their completed quilts. MJ Fielek introduced DeeAnn McFarlin and JoAnn Hudgins, who showed their quilts created at the August Orphan Blocks workshop.

Dolores Williams reminded members that we must follow church rules:

Any guests that come with us must attend the meeting

Food and drink is only allowed in the

general meeting room
We are not allowed to prop open the outside door because it is a security risk

The new board was recognized.

The meeting adjourned at 7:40 p.m. The guest speaker was Diana Buckley who presented, *"The Creative Journey and an Encouraging Husband."*
