**January Program**

Jeanne Smith

Get ready for 2019 to have a variety of guest speakers and workshops to meet anyone and everyone’s quilting genre!

**January** welcomes **Ann Loveless** who is a native of Frankfort, Michigan which is located on the shore of Lake Michigan. Ann’s inspiration and designs come from nature and the beautiful lakes and woods of Northwest and the Upper Peninsula of Michigan. Ann works from photographs and develops her designs directly onto cotton batting randomly cutting and placing pieces. Her techniques include “Fabric Mosaic” (fusible appliqué), “Impressionistic” (layered fabrics under black tulle) and “Collage” (fusible appliqué). All three techniques involve free motion machine stitching. Ann will present a program on **Thursday, January 10<sup>th</sup>: Landscape Art Quilts.**

**On Friday, January 11<sup>th</sup>,** Ann will teach a workshop titled “**Lake Collage**”. This is a Lake Michigan beach scene with birch trees and other trees flanking the sides along with dune grass and sparkling water.

Ann will provide specialty fabrics to share and a photo to work from.

**Bring to Dec 13<sup>th</sup> Meeting:**

- For Membership: Name Badge
- For Retreat 2019: \$50 deposit
- For Community Service: Pillowcase, cuddles, quilts, tops.
- Lovepacs items.
- Microwaveable Bowl in Gift Bag

VISIT OUR WEBSITE AT: [www.qgplano.org](http://www.qgplano.org)

The workshop on **Saturday, January 12<sup>th</sup>, "Poppies Impressionistic"** is a floral garden of various shades of red poppies and greens along with purple flower accents and embellished with beads and crystals.

Ann will provide a photo to work from and will share printed poppy fabric. You are welcome to bring your own poppy or floral photo to work from.

**On Thursday, February 14<sup>th</sup>, Martha Lindberg** from Mesquite, Texas will join us. She will present a lecture and trunk show combination titled **"My Quilt Journey"**. Then on **Saturday, February 16<sup>th</sup>**, she will present a workshop on her **"Wonky Dresden Neighborhood"**. This fun quilt is a twist on the traditional Dresden Plate block. Each blade is turned into a wonky house making this Dresden

Neighborhood come to life. Every quilt will be a little different because creativity will come into play designing each house with a special roof, door and windows. It will be each attendee's unique creation. Come join the fun!

## Spray Basting Day

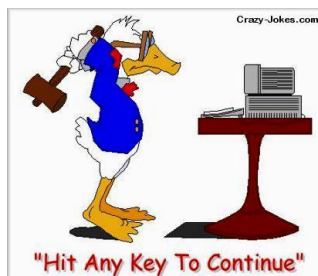

Guild members, Monica Hendewerk and Barbara Collins are at it again to organize a "spray basting day" on Wednesday, Jan 9<sup>th</sup>, 10:00am till about 2 or 3:00 with a bring-your-own lunch break at noon. We only need about 6 people (because Monica and Barbara are working too). This group meets about twice a year, gets donation quilts, batting and backing from Community Service, and spray bastes them at Monica's house; then Community Sew makes them available at the Guild meetings for members to take home and quilt at their leisure.

Large tables are clamped together and put on risers (no crawling on the floor), and we use a non-toxic spray baste. Even with 4 people spritzing, there is no smell to attack your senses. We like to have 2 pressers, 4 spray basters, 1 to trim excess fabric/batting, and 1 to fold neatly, count and bag. We even rotate jobs when someone gets tired of doing a job. Our goal is to baste 50 quilts, which is an easy goal; we have pushed ourselves to do 77 at one spray basting day.

So please help us out for the day. Email Monica ([mhendewerk@gmail.com](mailto:mhendewerk@gmail.com)) and she will give you her address.

## Reminder

Remember to enter your volunteer hours on the website. Go to **Members** <Pulldown> **Time Management** and then pulldown **Report Volunteer Hours** or **Report Hours in Bulk**

## Stocking Report:

I gave over 1000 stockings to the lady from Soldiers Angels. As it turns out, the lady who had been doing this passed away in April, and the one that I met yesterday is new. She told me that these stockings along with all the goodies that we donated will go all over the world, to VA hospitals, active military, and so on, that we take for granted. I stuck in one of our teddy bear ornaments, and when the woman found that, she asked if I could sew it onto a hole in her jeans. No, I did not have needle and thread. Little sewing kits might be a good idea. Maybe a bobbin full of thread, a needle and a few pins.

### Fallen Angels reply:

"300 stocking filled and ready to go out to our vets. Thank you so very much for your donation."

I will have kits available for y'all at the December meeting. They are due in October, so no hurry yet. Having all of them done in May worked very well. I am so proud of all of you! I was able to focus on my entries in our show, and on washing and ironing fabric to get it ready for this year's stockings. Thanks to each one who participated. Let me say again, you are welcome to turn in partially finished kits, but please, no pins. Those were not very fun.

## Shelter Pet Beds

I took 9 SPB's to a small no kill shelter on 18<sup>th</sup> street between K Ave and the DART tracks. They were glad to get them. I encourage all of you to keep up the good work on these. You do not have to bring them to me. Take them to a shelter of your own choice, just report your hours, and email the number of SPB's to Community Service.

Martha O'Grady

## Retreat 2019

Hi All - Retreat planning is in full swing. We are so excited to let you know that there are just **15 open spots left** for retreat. Final payments are due January 1, 2019. Please make sure you send your payments to Carol Long to ensure you don't miss out on the fun.

**Feb 21<sup>st</sup> - 24<sup>th</sup>, 2019** Things to look forward to:

**Scissor Sharpener** - the Scissor Man from the quilt show will be at Retreat! He will be there all day Friday to sharpen your Rotary Blades, Scissors, Knives, etc.

**Project Linus** will be visiting with us during lunch on Friday to talk about the wonderful work they do and how we can help them reach their goal.

**Food Bank of Dennison** - Sandy will once again be heading this project - we will be posting a list of much needed items and when you bring them to retreat you will be entered into a special drawing for a prize valued at \$400!!!

**Community Sew** - we will also have blocks for everyone to sew ensuring that we complete at least 7 quilt tops for our community service!

There is so much more planned but, we want to keep a few secrets and surprises!

Can't wait to see you there -

Julie and Sandy

## Quilt Show 2019

Hi Everyone -

We are still in need of a few chair positions - if you would like to volunteer please contact Julie Brooks, [icjules@yahoo.com](mailto:icjules@yahoo.com) or call her at 972-978-8780.

**Co - Show Chair** - this person will work closely with the Show Chair for 2019 and then take the helm for the 2020 Show - it is a shadow position with the realization they will be in charge the next year.

**Raffle Quilt** - work with all the local shops, guilds, community events to bring the quilt to these places and sell tickets - goal is to sell out \$5000 worth of tickets - this person/small group has to be willing to either take the quilt themselves or get sign-ups for others to take it. They are also responsible for getting tickets to all the members and collecting all raffle monies.

**Signs/Ribbons (need 2 Co-Chairs)** - Signs is responsible for hanging all quilt entry signs, vendor signs, row signs and ensuring all spelling is correct and timely - this is a sitting job at a computer and printer but is time sensitive and this person should work well under time constraints. Orders all the ribbons and has a volunteer team to hang them on Thursday; they have to check and double check winners/ribbons against a list.

**Special Exhibits (need 2 Co-Chairs)** - Chair/Small Group - each year this Chair picks a person, category or type of quilting to "Showcase". This is a great position for a small group - you will be responsible for collecting the quilts and working with registration to lay out the floor plan while getting all the individual quilt information to the Signs Chair

**Volunteers** - responsible for ensuring all volunteer slots are filled for the Wednesday - Saturday of the show for each Chair - this year we will be using an online scheduling system so this person will need to learn how to set up the times and jobs in the software and remind and check in and check out all volunteers. They will also need to record the volunteer hours, order pins and be at the show to oversee all Volunteers.

## Guild Activities

It's that time of year! The holidays are here, family is coming into town, and you've got to finish up your shopping lists and wrap those presents! It can sometimes be a lot to juggle, and frankly, buying presents can quickly go from a fun activity to a downright chore. What do you buy for that person on your list who has everything? I've got the solution for you. Try making some microwaveable bowls in gorgeous fabrics pulled right from your stash! All you need is a little fabric, batting, thread, and voila! You've got a gift after only one hour in front of your sewing machine! Just remember that all materials need to be 100% cotton, as polyester materials or metallic threads will melt in the microwave. At the December meeting we will be having a fun gift exchange where we will be exchanging these microwaveable bowls. Just bring one, or even a pair of bowl covers in a cute gift bag and join the fun! Patterns and a video tutorial can be found on our website. Click on Activities and then Challenge, and let's get sewing!

Thank you to all who participated in the November Three Day Retreat at Best Little Retreat Center in Texas! We had tons of fun while we worked on all our beautiful projects. The next one-day retreat will be Friday, January 25<sup>th</sup>, and then we have our big annual overnight retreat at the Hilton Garden Inn in Denison! Mark your calendars for February 21<sup>st</sup>-24<sup>th</sup>. Balances for the annual retreat are due by January 1<sup>st</sup>, so bring in your check or cash to the December meeting and turn in your payment to Carol Long at the Activities table. If you would like to sign up for the January one day retreat, please head over to the website and click on "Day Retreats" under the Activities tab, to find out more information and print out a Day Retreat Registration Form. I will also have signup sheets available at the Activity table in the main hallway at guild meetings if you would like to sign up while there. Retreats are a great place to meet other members and learn new techniques while having a blast!

It's now month three for our Quiltmaker's Puzzle Block of the Month! At the December meeting, I will be revealing block patterns for blocks 5 and 6. Bring in any of your completed blocks, whether from month one or two, and we will have a big reveal. If you are new or haven't yet heard about our Block of the Month, there is still time to participate! This is a free challenge that focuses on color value, and its importance in creating a successful quilt. You will be working with only 8 fabrics to make your blocks. The blocks that you will be putting together each month will be the same every time, but with unique color placement within each block design, you will be able to create blocks that look strikingly different from one another. To find instructions, patterns, a fabric requirements and swatch page, as well as other resources, go to the website at [www.qgplano.org](http://www.qgplano.org) under the Activities tab, and click on "Challenge". I can't wait to see your beautiful work!

### Reflections and Resolutions

submitted by Kaye Dunn

This year is quickly coming to an end and we are all busy with holiday preparations – shopping, cooking, decorating, family gatherings, parties and the list goes on and on. So take a breath, make yourself a cup of tea, sit down in a quiet corner and spend some time reflecting on the past year before it's gone for good.

Our guild membership has been very civic minded in 2018 which is evidenced by the record number of donations made to the 10 agencies we support. Jan Hughes, the director of the PISD School-Age Parent Program, was blown away by your gifts to their Christmas Party. If you participated in the "Quilt Challenge" or the "Stocking Project" or made pillowcases, cuddles, taggies, afghans or pet beds you know the warm feeling experienced by giving to others in our community.

Now that you're having that second cup of tea and maybe a cookie it's time to make some resolutions for 2019. Perhaps you have an idea for your "Birthday Quilt". Have you ever participated in the "Stocking Project"? Martha O'Grady will be happy to supply you with kits. Maybe you should come by the Community Service table and see what we have available to quilt or bind. And don't forget about the two sit and sew days we have (2<sup>nd</sup> Tuesday at Plano Sewing Center and 3<sup>rd</sup> Saturday at The Best Little Retreat Center in Texas) where all you have to do is bring your sewing machine and we will supply the kit or project.

So now that you have patted yourself on the back for all you have done in 2018 and have made your list of what you intend to do in 2019 it's time to put that cup in the dish washer and take the dog for a walk and enjoy this Texas weather.

Sherry Worley

The Birthday Quilt Drawing is rapidly approaching! A Birthday Quilt is a gift quilt that you complete and turn in to Community Service. It will be given with our regular donations to someone who could really use a great big hug! The Birthday Quilts are really a gift to yourself of comfort and satisfaction in knowing that you made someone's life better.

This year's drawing is centered on fabric. The prizes include layer cakes, jelly rolls, charm squares and maybe even some hand dyed fabrics. To be sure that everyone who donated a Birthday Quilt is entered in the December drawing please take a moment to email ([sherry-worley@att.net](mailto:sherry-worley@att.net)) or text 972-816-5507 to remind us that you did participate. It is not too late to get your name in the drawing...just donate a quilt at the December meeting!

## Letter from the President

I hope you all had a wonderful Thanksgiving. Our family has the tradition of taking turns sharing something we are thankful for as we eat our wonderful meal. It is warming to see how we are truly blessed and how we enjoy sharing it with each other.

As well, our Quilt Family means so much to me and I feel we have so much to be thankful for. We are growing, we have great programming, our Show's image is getting stronger and our Community Service work is benefiting others outside our family.

Getting members involved is a big challenge for us. Our board is working to find ways to get more members involved, but it can't be done without you. There is a saying about many volunteer organizations: "80% of the work is done by 20% of the members". Let's not be one of those organizations. We have a good number of volunteer opportunities with both our Show and the Guild leadership that needs to be filled. Everything from agreeing to help set up tables before our meeting to taking on leadership roles such as Co-Show Chair or TAQG Rep. You are all the heart of our Guild and I would like to ask that you take the time to see where you best fit, jump in and get involved.

Take a minute and look through our website – this is the best vehicle to see the work being done and identify opportunities you to take part in. **Sign-up for workshops** – remember that is an added value to our members, there are neighboring Guilds that can't provide that for their members. **Join a small group** – this is a great way to get to know your fellow members in a one-on-one way. And most important, be **willing to say "yes"** when you are asked to help out.

Our challenge is to adapt to our growing membership. We need to change when needed, improve where we can and continue to share and support our fellow members. I am looking forward to getting to know all of you better and working with you to help make Quilters Guild of Plano the best Guild ever!

## Quilters Guild of Plano

The Quilters Guild of Plano exists to bring together people who share a love of quilts and quilting, preserve the heritage of quilting, promote the knowledge and understanding of all aspects of quilting, and provide opportunities for continuing education among those interested in the art of quilting. Together we learn from national and local quilt teachers and speakers, and share our work with each other and the community. All levels of quilters are encouraged to join us, including beginners. We are a 501 (c) 3 organization.

The Quilters Guild of Plano normally meets at **Hunters Glen Baptist Church, 4001 Custer Road**. The church is on the west side of Custer Road between Parker Road and Spring Creek Parkway. We will be meeting at the north end of the church again – where we met last year. There is parking around the north side building and a large parking lot across Pleasant Valley Drive. Enter the double doors on the north side. Immediately to the right is a set of stairs and an elevator. You will take those to the second floor and go down the hall to rooms 266 and 267 at the end of the hall. There will be signs pointing the way. The Guild meets the second Thursday of each month. Meetings start at 6:45 pm with a social time from 6:15pm to 6:45pm. Guests are always welcome at the meetings.
